NEXT STOP... NOLUX STUDIOS

Janise

Taking the initiative, Nolux Studios has been going directly to students and offering free informative presentations about the animation industry whilst partnering with industry professionals. These workshops are made with the intention to reach artists that might be curious, want community or acquire information unknown to them.

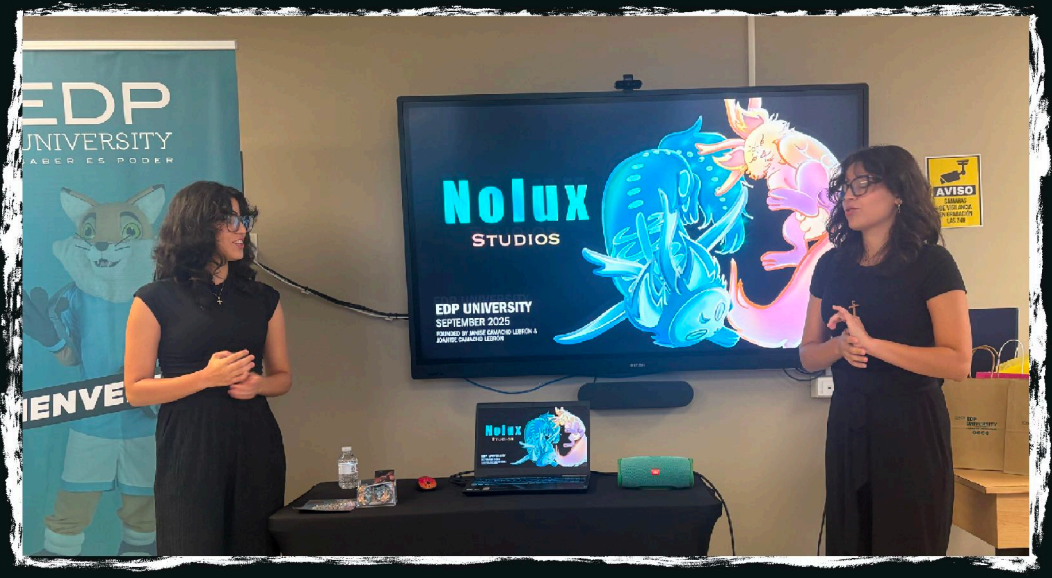
STUDIOS



Nolux Studios
Founded in May 2024 | Puerto Rico

We are an independent animation studio seeking to stand out internationally in the digital media. We are pioneers in Puerto Rico as one of the first studios to develop a dark fantasy animated series for young adults.

Mision: Telling original stories that connect emotionally with a global audience.
